BEVERAGE MENU

At Monarto Safari Resort, every drink is an expression of place - rooted in the untamed beauty of the wild, shaped by thoughtful sustainability, and elevated by a touch of refined indulgence. Our beverage menu is carefully curated to balance authenticity with elegance, offering array of spirits, fine wines, and handcrafted cocktails inspired by the surrounding landscape and culture.

We champion local ingredients chosen with care and respect for both the environment and the communities we partner with. Whether you're enjoying our signature cocktail at sunset or our carefully crafted herbal tea at dawn, each drink is designed to connect you to the moment, the land, and the legacy of the safari resort.

Sustainably sourced, mindfully prepared, and beautifully served – this is our promise, one sip at a time.
